ALL NEW MRR 50/230 WITH TURNTABLE AND SINGLE-SPEED GEARBOX

300051	MRR 50 / 230	HYDRA	10/12/14	60mm FEMALE	2" x 6 mets	C	\$14,900.00
--------	---------------------	-------	----------	-------------	-------------	---	--------------------

MR 40/130 model example MR= microrain, 40 = hose diameter, 130 = hose lth.

SPRINKLER TROLLEY Specification (2 wheel)

K1 Sime Sprinkler 32mm BSP F.I. Base MR 40 Gun trolley 32mm BSP M.I.
 HYDRA Sime Sprinkler 40mm BSP F.I. Base MR 50 Gun trolley 40mm BSP M.I.
 HYDRA Sime Sprinkler 40mm BSP F.I. Base MR 63 Gun trolley 40mm BSP M.I.

Standard Australian Equipment Features

- All models have a FULLY GALVANISED Chassis and Hose Reel.
- Gearbox & turbine drive
- Automatic shut-off at end of run
- Hose guide system
- Power take off for fast retraction
- 60mm F-TYPE coupling on hose conn kit to connect to irrigator (No fitting on hydrant end of hose)

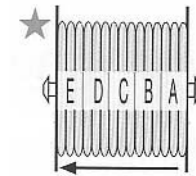

Options (Add all options below to machine price prior to calculating GST and discounts)

Part No	Description	Recommended Retail Price
139000	12 mtr 2" Connection Hose Kit (replaces 6 mtr kit)	\$180.00
139005	20 mtr 2" Connection Hose Kit (replaces 6 mtr kit)	\$350.00
139025	12 mtr 3" Connection Hose Kit (replaces 6 mtr kit)	\$411.00
139030	20 mtr 3" Connection Hose Kit (replaces 6 mtr kit)	\$670.00

Change Sime Sprinkler to Nelson Sprinkler (Nozzle kits included)

Part No	Description	Recommended Retail Price
139010	K1 changed to P65 Nelson (25mm BSP. MI base) Red. socket included	\$24.00
139015	Hydra changed to P85 Nelson (32mm BSP. MI base) Red. socket included	\$200.00
139020	Hydra changed to SR75 Nelson (50mm BSP. FI base) Red. socket included	\$ 950.00

R 1 Ocmis Range

SPRINKLER TROLLEY Specification (2 Pneumatic wheels)

HYDRA Sime Sprinkler 40mm BSP F.I. Base R1/ 50-250 Gun trolley 40mm BSP M.I.
 DUPLEX Sime Sprinkler 50mm BSP F.I. Base R1/ 63-200 Gun trolley 50mm BSP M.I.

All Sprinkler Gun Trolleys are upgraded and fitted with 2 Pneumatic Wheels

Standard Australian Equipment Features

- All models have a FULLY GALVANISED Chassis & Hose Reel Drum.
- All models are upgraded to come standard with wider wheels
- Mechanical lifting of trolley
- Mechanical telescopic feet
- Mechanical lifting of draw bar
- Gearbox & Turbine drive
- Golden Rain computer
- Fully galvanised sprinkler trolley with variable track wheels
- Big gun sprinkler with 3 nozzle set and pressure gauge
- Hose guide system
- Safety guards
- PTO for fast retraction and manual winding handle
- 76mm B-TYPE coupling on hose conn kit to connect to irrigator (**NO** fitting on Hydrant end of Hose)

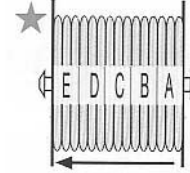

Options (Add all options below to machine price prior to calculating GST and discounts)
